Elsdon

Current

Elsdon is serviced by Route 68 from Porirua Station to Titahi Bay.

Option A

Replaces the existing route with a new one-way route (operating in clock-wise direction) and connecting through Porirua city centre and the railway station to two Porirua East routes.

Option B

Replaces the existing route with a new route from Mahinawa Street and Rangitui Crescent connecting through Porirua city centre and the railway station to two Porirua East routes (two different routes than Option A). There will be no service along Te Hiko Street.
