Report to the Environment Committee
from Susan Shearer, Resource Advisor

Resource Consent Applications from Hutt City Council for Hutt Valley Wastewater Systems Overflows.

1. Purpose

To allow the Committee to consider and decide on resource consent applications from Hutt City Council to discharge wastewater overflows to five points on the Hutt River, as well as Waiwhetu Stream, Hulls Creek, and Awamutu Stream.

2. Background, Statutory Requirements and Assessment of Effects

See Attachment 1.

3. Negotiation of Consent Conditions

Both the applicant and submitters have agreed to the recommended conditions. I am satisfied that the conditions are sufficient to avoid, remedy and mitigate the effects of the discharges. They are set out in Attachment 2.

4. Recommendation

That the Committee, under the delegated authority of the Wellington Regional Council grant, in accordance with sections 105 and 108 of the Resource Management Act 1991, discharge permits WGN 960002 (01) to WGN 960002 (08) to Hutt City Council, subject to the conditions set out in Attachment 2.
