MAY IT PLEASE THE PANEL:

1. This memorandum is filed on behalf of the Mansell family. Counsel respectfully requests a very short extension (4 days) for the filing of very brief planning evidence on Hearing Stream 4 - Integrated Management Chapter. The Mansell family is a submitter on that Chapter. This evidence was due to be filed by 5.00 pm on Friday 15th September 2023.
2. Regrettably (through no fault of the Mansell family) counsel diarised the date for submitter evidence incorrectly and has missed this date. Counsel sincerely apologises for this error. The Mansell's planner Mr Hansen is currently travelling in Europe and is in the process of preparing planning evidence, but the time difference makes this slightly harder.
3. A short extension is sought from the Panel to Thursday 21 September to allow this to occur. It is not anticipated that there is any prejudice arising to any party from this request, particularly given the recent directions regarding extension of time to Council's reply.
