Moved: Cr Staples / Cr Ropata

That the Committee, having considered the submissions received and the information contained in Report 24.472, recommends that Council:

1. Adopts the reasons for the rejection of submissions, as set out in the table below:

Alternative proposal	Description of alternative proposal	Reason for rejection of alternative proposal
1	That a total of 11 members should be elected, being one member from the Māori Constituency, and 10 members from six general constituencies whose boundaries align with the current territorial authority boundaries (constituencies covering the areas of Kapiti Coast District; Porirua City; Wellington City; Lower Hutt City; Upper Hutt City; and Wairarapa districts).	Rejected. This alternative proposal would not enable effective representation for communities of interest in the regional context, taking into account the: <ul style="list-style-type: none"><li>• geographic size and diversity of the Wellington Region with its urban and rural areas</li><li>• diversity of Council's statutory functions</li></ul>

		<ul style="list-style-type: none"> <li>• need for efficient and effective governance of the Wellington Region</li> <li>• enabling of community access to members and vice versa.</li> </ul>
2A	That the Council's initial proposal should be amended to provide a second member for the Kāpiti Coast General Constituency, through a reduction in one member from the Pōneke/Wellington General Constituency.	Rejected. This alternative proposal would not provide effective representation for communities of interest in the regional context and fair representation for electors.
2B	That the Council's initial proposal should be amended to provide a second member for the Kāpiti Coast General Constituency, through a reduction in one member from the Te Awa Kairangi ki Tai/Lower Hutt General Constituency.	Rejected. This alternative proposal would not provide effective representation for communities of interest in the regional context and fair representation for electors.

2. Confirms its initial representation proposal as its final proposal for the 2025 triennial local elections.

The motion was **carried**.
